

Event Information

The Grain Barn is available for you up to 48 hours before your event so that you can personalise the barn as you wish. The Grain Barn will be available from 9am until 6pm on the day following the event to take away any personalised items left at the Grain Barn. We ask for a £750 bond one month prior to the event. This is refundable to you the week after the event has concluded providing the barn has been left in the same condition as it was at the time of hire.

Catering

As you are hiring the barn without any restrictions to what catering you have, we can help you select a range of local caterers for your event to suit your taste and budget. This can range from a formal meal to a more relaxed meal like a hog roast or a pizza van.

Toilets

Toilets are included within the cost of hire. These are luxury, portable toilets within easy access of the barn.

The Lawn Area

We have created a lawn area surrounded by the growing wheat field for guests to relax in the outside atmosphere of the farm. There will be a few tables and chairs available for your guests to relax and socialise. This is England however so if the weather is not on our side then there is plenty of room within the barn to stay warm and dry.

Heating

Generally the barn is a warm area, especially with a large number of guests partying. However if it is a cool evening then we will provide heating via a Gas space heater to ensure your guests stay warm and cosy.

GRAIN BARN

Guest Information

There is ample parking at the farm and your car can be left overnight at the owner's risk and would need to be collected by 1pm the following day.

If a large number of guests are coming from the same area then we can help to arrange for a bus to collect your guests at the end of the night. Alternatively there are several local taxi firms that can be booked, it is essential that you book your taxi home before the day of the event as we are in a rural area and it is unlikely you will be able to call for a taxi on the day. Uber is also not available within this area. Please book your taxi for collection by midnight. As the farm is located down a single track lane, we operate a one way system on the day of the event so all traffic will need to follow the exit route back to the main road.

Directions

We are based on a farm at the end of a narrow lane, 2 miles north east of the beautiful Hertfordshire village of Great Hormead. The village of Great Hormead has easy access to the A10 at Buntingford and Puckeridge. The B1038 road runs through the village from Buntingford to Newport which enables easy access to Essex.

The Barn is located at Brick House Farm, Great Hormead, Buntingford, Hertfordshire SG9 0PB
